BAUER Joins Federation of Piling Specialists (FPS) Following Completion of Strict Audit Process

Following a comprehensive audit of its operations BAUER Technologies is pleased to announce that it has recently been accepted as a member of the prestigious Federation of Piling Specialists (FPS).

Formed in 1963 the FPS is the only recognised organisation for specialist ground engineering contractors in the UK, and its accreditation assures clients of best practice from all its members.

The FPS audit covers an extensive range of services relating to the ground engineering sector, including Safety; Innovation; Technical Excellence; Value Engineering and Quality Management. All members are required to adhere to the professional standards that it sets.

On completion of the Audit and confirmation of its accreditation BAUER's Managing Director, Michael Jones, commented: "We are delighted to have our membership of the FPS confirmed.

The high standards that we have set at Bauer Technologies since our commencement in 2008, are now audited by a number of bodies including the FPS to confirm our levels of technical ability, quality management, safety, training and environmental systems are of the highest order".
