

Ethical Trading

It is our policy to operate all aspects of its business in an ethical manner. This includes, but is not limited to,

- Respecting the rights of its employees.
- Promoting non-discriminatory employee policies.
- Providing proper processes for complaint and redress.
- Providing safe and healthy working conditions.
- Treating customers, suppliers and others with whom we deal in a fair and honest way.
- Dealing openly and reasonably with third parties affected by our operations.
- Providing shareholders with timely and accurate information relevant to their investment in our company.
