

Mobile Welder

An exciting opportunity has arisen to join Bauer Technologies in the role of Mobile Welder. We are an inclusive employer and offer equal opportunities regardless of an individual's age, disability, gender identity, marriage or civil partnership status, pregnancy or maternity, race, religion or belief, sex and sexual orientation.

Role details:

The successful candidate will be enthusiastic, proactive and keen to learn, in return you will be provided with a supportive environment to learn and develop and grow within your role. The role is ideal for a motivated professional who thrives in a fast-paced construction environment and has proven experience maintaining and repairing heavy piling equipment.

Contract: Permanent

Location: Multi-Site Based across the United Kingdom

Role Responsibilities Include:

- Carry out welding and burning duties as required by Site Supervisor;
- Maintain and repair digging tools to the required standards;
- Maintain and repair segmental casings to the required standards;
- Communicate with site team for access and schedule of works required;
- Fabrication of piling equipment/tools;
- Maintain own stock of welding equipment (rods, gas and oxygen);
- Maintain safe working area, with barriers and fire-retardant screening;
- To work in a safe and efficient manner and to comply with all company policies and procedures.

Skills and Abilities:

- CSCS Steel Fabricator Welder accreditation;
- Full driving License;
- Ability to work away from home;
- Able to work alone or as part of a team;
- Strong communication skills and ability to follow site instructions;
- Self-motivated, organised, and able to manage activities effectively;
- Able to work to HSEQ standards;
- Proven experience of procedures relating to their key discipline.

Requirements:

- **Essential**
 - Proven experience as a specialist foundation equipment welder;
 - Proven experience working with Bauer type machinery;
 - Knowledge of procedures relating to their main piling discipline;
 - Experience of piling and ground engineering processes.
- **Desirable:**
 - Additional CPCS card categories;
 - Piling plant maintenance experience with Bauer Technologies or other piling contractors;
 - Experience in more than one piling discipline;
 - GCSEs in English and Maths (or equivalent literacy and numeracy skills);
 - Competent in Microsoft Office applications, including Word and Excel.

Personal Qualities

- Strong work ethic, takes personal responsibility for their work, meets deadlines, sets the right example for others, displays honesty and integrity, and works with safety in the forefront of everything they do;
- Positive attitude, constructive thinking and able to adjust to change;
- Trustworthy in their actions. Shows integrity by doing the right thing. Always maintains appropriate confidentiality;
- Displays energy and enthusiasm in the way they go about their role. Attention to detail, with an enquiring mind, seek assistance or challenge;
- Committed to advancing own learning and competence, showing a willingness to learn new skills;
- Apply attributes of equality and diversity to meet the requirements of fairness at work.

Work in accordance with our Bauer Values

Responsibility

We rely on mutual trust and encourage each other to make decisions independently. We overcome challenges by working as a team. The principles of integrity, reliability and correct behaviour govern our daily actions.

Openness

As an internationally operating company, we are open to new ideas and have the courage to make changes. The diversity of cultures and variety of people at our company make us who we are.

Appreciation

We put people first. We interact on an equal basis and treat each other with respect and honesty. Maintaining a positive attitude, we work together in trusting collaboration with our employees, customers and partners.

Innovation

We enthusiastically develop ideas and sustainable solutions for the challenges of the future. Our international experience and many years of expertise provide the foundations of our innovative capacity.

Down-to-earth

As a family business, we are committed to acting sensibly and appropriately. We make pragmatic decisions, with an eye on the bigger picture.

Disability Confident

As a Disability Confident employer, we're committed to the recruitment, employment, retention and development of people with disabilities and to improving their employment opportunities.

What we Offer:

- Competitive salary, dependent on experience;
- Ongoing training and development opportunities;
- Supportive team environment with a strong focus on safety and professional growth;
- Opportunities to work on major infrastructure and piling projects across the UK.
