

Rig Operator

An exciting opportunity has arisen to join Bauer Technologies in the role of Rig Operator. We are an inclusive employer and offer equal opportunities regardless of an individual's age, disability, gender identity, marriage or civil partnership status, pregnancy or maternity, race, religion or belief, sex and sexual orientation.

Role details:

The successful candidate will be enthusiastic, proactive and keen to learn, in return you will be provided with a supportive environment to learn and develop and grow within your role. The role is ideal for a motivated professional who thrives in a fast-paced construction environment and has proven experience maintaining and repairing heavy piling equipment.

Contract: Permanent

Location: Multi-Site Based across the United Kingdom

Role Responsibilities Include:

- Operate Bauer rigs safely and effectively for the purpose of constructing piles;
- Ensure the rig is operating efficiently and maintained as required;
- Report and record condition of machine daily, reporting defects to Site Supervision & Chief Mechanic;
- Recording details of piles being constructed;
- Monitor and maintain condition of drilling tools;
- Monitor condition of piling platform;
- Construct piles in accordance with site pile schedule;
- Assist mechanics on mobilising and demobilising rigs on site;
- Maintain piling rig condition both internal and external and ensure it is kept to the highest standards;
- Supply daily check and pile records of rig to site supervisor;
- Communicate with mechanics and welder of any issues or condition of machine or digging tools.

Skills and Abilities:

- Demonstrate a high level of skill and be recognised as an expert in their field;
- Strong communication skills;
- Familiarity and experience in the use of Bauer rotary bored rigs;
- Board piling experience must include the installation of deep piles into challenging ground conditions using temporary casings and/or support fluids (Bentonite & Polymer);
- Proven ability to understand the technical requirements of the project solution, identification and management of key critical success factors.

Requirements:

Essential

- CPCS Piling Rigs: Bored Above 20 Tonnes or an equivalent recognised accreditation;
- Basic mechanical knowledge of Bauer equipment;
- Proven experience as a piling rig operator;
- Must have experience operating Bauer type rigs;
- Experience operating rig using segmental casings and support fluids, both bentonite and polymer.

Desirable:

- Experience in more than one piling discipline;
- CPCS Crawler Crane card;
- IPAF Card;
- GCSE English & Maths (or able to demonstrate a reasonable level of literacy and numeracy);
- Computer literate (Microsoft Excel and word).

We may receive personal data during the recruitment process that is covered by the General Data Protection Regulations (GDPR). Where this is the case, we will process your data for the legitimate process of recruitment for Bauer Technologies Ltd. Any personal data received will be subject to deletion in accordance with the retention periods as stated in our Integrated Management System - Recruitment Procedure.

Personal Qualities

- Strong work ethic, takes personal responsibility for their work, meets deadlines, sets the right example for others, displays honesty and integrity, and works with safety in the forefront of everything they do;
- Positive attitude, constructive thinking and able to adjust to change;
- Trustworthy in their actions. Shows integrity by doing the right thing. Always maintains appropriate confidentiality.
- Displays energy and enthusiasm in the way they go about their role. Attention to detail, with an enquiring mind, seek assistance or challenge;
- Committed to advancing own learning and competence, showing a willingness to learn new skills;
- Apply attributes of equality and diversity to meet the requirements of fairness at work;
- Know and work in accordance with the "BAUER Values".

Work in accordance with our Bauer Values

Responsibility

We rely on mutual trust and encourage each other to make decisions independently. We overcome challenges by working as a team. The principles of integrity, reliability and correct behaviour govern our daily actions.
